

Quality Policy

COBA has established, implemented and will maintain this quality policy to provide a framework for setting our quality objectives.

COBA Plastics will follow a process based approach and incorporate a risk-based quality management system.

Provide high quality products and services on time and in accordance with individual customer specification and contractual requirements.

Empower all staff to understand the key characteristics and attributes of each and every new product before marketing activities commences.

Continually review the effectiveness of the quality management systems, to enhance and improve both business reputation and internal performances.

Significantly improve performance levels in delivery times and returned product.

Quality policy shall be available to any interested parties
